# NEW TECHNOLOGIES AND MOBILE LEARNING

The trainers will present specific platforms and tools that can be employed in the classroom, and demonstrate specific methods for teaching English as a foreign language using digital resources.

In this session you will look at **classroom activities** about:

·Cyber well-being · Digital Literacies

·Mobile Learning · PLNs (Personal Learning Networks)

with consideration of different contexts including BYOD (bring your own devices) and low resource contexts.

## TRAINER and CONFERENCE MANAGER

**Phil Abram**

Phil Abram has been working as a teacher at the British Council for 17 years both in Turin (1999-2001) and then in Rome (from 2001). He is currently ICT coordinator at Rome British Council where he has developed his interest in IT in teaching by delivering numerous ICT based in house seminars together with supporting teachers who wish to enhance their ICT skills.

**Gabriella Frezza**

Gabriella's working life has centred on education. She started as a teacher of English and became the Principal of a large paritaria school in Sanremo. She attended a master at Altis with Prof. M. Grumo for the management of no profit organizations and worked in many important foreign universities abroad as a coordinator for programmes of English Language Learning for Italian students. She started a bilingual school with the British Council support firmly believing that, children develop native speaker fluency within the first eight years of their life. She was asked to speak at many conferences on the development of bilingual education and second language early learning. She is working for MLA as a business development manager at the moment and her main task is the improvement of the teacher training branch in the company. Great Teachers create Great Students!
