<p>16:15- 16:45</p>	<p>Study in London</p> <p>This session looks at the benefits of studying in London compared to other cities. With over 100,000 international students, London is top choice for students from over 200 nationalities. As one of the world's financial capitals, London has to offer endless work opportunities and internships. There are 45 Universities offering over 30,000 courses from accounting, business, engineering and law to marketing, medicine, politics and zoology. The presentation will look at facts about studying in London, work opportunities and student life.</p> <p>Simona Boeva, University of Roehampton</p>
<p>17:00- 17:30</p>	<p>Writing a Covering Letter</p> <p>Bruce Warburton, British Council</p>
